SHORE ORTHOPAEDIC GROUP - OUR FINANCIAL POLICY

Thank you for choosing us as your healthcare provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our financial policy which we require you read and sign prior to any treatment.

All patients must complete our information form in its entirety before seeing the doctor.

IF WE ARE NOT PARTICIPATING WITH YOUR INSURANCE PLAN, FULL PAYMENT IS DUE AT TIME OF SERVICE.

WE ACCEPT CASH, CHECKS, OR ATM/CREDIT CARDS.

REGARDING YOUR INSURANCE

Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. You are responsible to know your insurance policy. In the event that we do accept assignment of benefits, we require that you provide a credit card with authorization to bill that account for the balance. If your insurance company has not paid your account in full within 60 days, the balance will automatically be transferred to your responsibility. Please be aware that some and perhaps all of the services that are provided may be uncovered services, and not considered reasonable and necessary under the Medicare program and/or other medical insurance if doctor is non-participating with the insurance company. I authorize the insurance company to forward payment directly to the physician. Should payment be sent directly to me, it is my responsibility to forward payment directly to physician. This office does not accept any and all medicaid insurances. By signing this waiver you are aware that you are responsible.

I AUTHORIZE MY INSURANCE CARRIER TO FORWARD PAYMENT TO MY PHYSICIAN'S OFFICE.

A CURRENT REFERRAL IS REQUIRED FOR OUR MANAGED CARE PATIENTS AT TIME OF SERVICE.

Insurance plans, where we are a participating provider, co-payments are due prior to treatment. You will be billed for any deductible and co-insurance amounts. In the event that your insurance coverage changes to a plan where we are not participating providers, refer to the above paragraph.

Patients involved in worker's compensation or motor vehicle injuries must provide this office with an open claim number, name and address of insurance company, adjuster's name and phone number, in addition to your health insurance information. In the event that your claim is denied, you will be held responsible for all charges incurred. In accordance to New Jersey state laws, patients involved in motor vehicle accidents are responsible for their deductible and co-insurance amounts which may vary depending on your policy. Please refer to the above paragraph concerning your health insurance coverage for any outstanding balances.

USUAL AND CUSTOMARY RATES

Our practice is committed to providing the best treatment for our patients, and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

ADULT PATIENTS

Adult patients are responsible for full payment according to their plan at the time of service.

MINOR PATIENTS

A minor must be accompanied by a parent or guardian. The adult accompanying the minor is responsible for full payment. Unfortunately we cannot get involved in divorce and custody matters.

MISSED APPOINTMENTS

Unless canceled at least 24 hours in advance, we reserve the right to charge at the rate of a normal office visit. Please help us serve you better by keeping scheduled appointments.

Thank you for understanding our financial policy. Please let us know if you have questions or concerns.

I HAVE READ THE FINANCIAL POLICY AND UNDERSTAND AND AGREE TO THESE TERMS.

Dear Patient:

In accordance with Federal Regulations and the Public Law of the State of New Jersey, it is mandated that a physician, podiatrist, chiropractor, and all other licensees of the Board of Medical Examiners must inform his/her patients of any significant financial interest he/she may have in a health care service.

Therefore, please note that the physician who will be performing your procedure/surgery has a financial interest in the **Lakewood Surgery Center, LLC** for which you are being referred.

Of course, you may seek treatment at a health care service provider of your own choice. A listing of alternative health care service providers can be found in the classified section of your telephone directory under the appropriate heading.

You have the right to make informed decisions regarding your care. This includes the right to accept, refuse, or choose alternatives in your medical and/or surgical treatment.

You have the right to enter into an advance directive, which can include a Living Will and Durable Power of Attorney. Please note that the **Lakewood Surgery Center, LLC** is an outpatient facility where only elective surgery/procedures are performed. If a life-threatening situation should occur, all emergency measures will be taken and may include transportation to a higher level of care.

You have a right to receive a copy of the Patient's Rights and Responsibilities.

In addition, depending upon your health insurance coverage, any services or facility fees associated with a referral to **Lakewood Surgery Center, LLC** will be considered to be "out-of-network" and will be reimbursed at an "out-of-network" rate by your insurance carrier or other third party payer.

By signing this disclosure, you or your legal representative acknowledge that: (1) you are receiving this notice prior to the date of the procedure/surgery; (2) you have been informed of the financial interests of the practitioners in this office; (3) you voluntarily desire to have your procedure/surgery performed at the **Lakewood Surgery Center, LLC**; (4) you have the right to make an informed decision regarding your care; (5) you have the right to enter into an advanced directive; and (6) you have received a copy of the Patient's Rights and Responsibilities.

I, _____agree that Dr. Sandeep Rathi will be the only physician prescribing controlled substances/medication for me and that I will obtain all of my prescriptions for controlled substances at one pharmacy. I will not seek controlled substances from another physician.

- I will not take controlled substances in larger amounts or more frequently than is prescribed.
- I will not give or sell my medication to anyone else, including family members; nor will I accept any controlled substances from anyone else. I agree to be responsible for the secure storage of my medication at all times. I understand that lost or stolen medication will not be replaced.
- I will not use over-the-counter codeine containing medications such as Tylenol®.
- I will attend all reasonable appointments, treatments and consultations as requested by my physician.
- I understand that the long-term use of controlled substances to treat chronic pain may result in physical dependence on this medication, and that sudden decreases or discontinuation of the medication will lead to the symptoms of controlled substances withdrawal. I understand that controlled substances withdrawal is uncomfortable but not life threatening.
- I understand that there is a small risk that I may become addicted to the controlled substances I am being prescribed.
- I understand that my physician may, at any time, require that I have additional blood or urine monitoring and/or see a specialist in addiction medicine should a concern about addiction arise during my treatment. I will comply with all requests for laboratory tests including random urine monitoring ordered by my physician.
- I understand that the use of any mood altering substance, such as tranquilizers, sleeping pills, alcohol or illicit drugs (such as cannabis, cocaine, heroin or hallucinogens), can cause adverse effects or interfere with opioid therapy. Therefore I agree to refrain from the use of all of these substances without prior agreement from my physician and I agree that this information may be shared.
- I consent to open communication between my doctor and any other health care professionals involved in my pain management, such as pharmacists, other doctors, emergency departments, etc.
- I understand that if I break this agreement, my physician reserves the right to stop prescribing controlled substances and I may be discharged from this practice.
- I will comply with requests by my physician to go to the office for a pill count between scheduled visits.
- I understand narcotic medication will not be prescribed over the phone by my doctor; and understand I cannot receive weekend refills.
- If I violate this contract I authorize communication to my other treating doctors and case manager.
